# Delegate Pack

## Conference Overview

Attend - Contribute - Discuss - Network - Apply

A must attend conference to keep up to date with the latest developments, challenges and solutions for the Cyber community.

SGG Global Hosts Cybersecurity 2018, the conference is designed for CISOs, Heads of IT, CTOs, Chief Security Officers, Cyber Architects, Thought leaders, Academics and Senior Cyber leaders.

The conference will bring together some of the UK's leading authorities on cybersecurity, Cyber leaders from government, FTSE 100 companies, organisations from both public and private sectors will discuss and share the latest content on Cyber Security Solutions.

The keynotes and robust panel sessions will provide you with knowledge, insight and the solutions you require to keep up with the latest threats and challenges within the Cyber Security Sector.

We look forward to seeing you there.

# Delegate Pack
